

BE A SPONSOR

“Bringing our community together”

Teignmouth Pride will be a celebration of diversity, equality and in 2023 our theme is “bringing our community together” to unite all sections of our community whatever their background and circumstances

At Teignmouth Pride we value the support of business and organisations to celebrate diversity and equality whilst remaining a free event for all. Sponsorship is vital in helping Teignmouth Pride become a success.

Sponsorship with Teignmouth Pride is a great opportunity to demonstrate to customers, your staff and the wider community that you are a customer friendly organisation committed to supporting diversity in our community.

Sponsorship can vary from organisation to organisation and can include visibility on our social media, posters, banners and website.

For more information, please email teignmouthpride@gmail.com
