

BOOK A STALL

At Teignmouth Pride our key objective is to work towards coming together as a strong welcoming community irrespective of individual differences whilst supporting valued businesses big and small within our community.

This year we are holding our event on Saturday 16th & Sunday 17th September - we'll be holding a Street Party in Hollands Road & Street Market in The Triangle, Teignmouth.

Take the opportunity now to sell your goods & services from one of our stalls. We are seeking applications from food and drink stands; crafts stands and all those interesting stall holders who wish to sell at this event.

Deadline for stall applications is Monday 10th July with final payments due by Monday 31st July. Final details re stall placement etc will be available at the start of September.

To support your application for a stall, please describe what your business, organisation or group does, and what you intend to do or sell on your stall. The more information you can give us, the stronger your application will be. You can include links to websites or social media. Please note for all food & drink vendors, local vendors will have first priority.

Please fill in the application form and we will get back to you. Any questions, please email teignmouthpride@gmail.com.
